OFFICE NOTE.

Subject

Attachment of the Inam lands of Lakshminarayanaswami or endowed to the Vénu Gopalaswami temple at Hittuvalli in the T. Narasipur Taluk

LAST REFERENCE:—

Docket ~~Letter~~ No. 22 dated 5th August 1904 from the Superintendent of Inam Settlements in Mysore —

The temple is a private institution endowed with some Inam land in the T. Narasipur Taluk. His Highness the Maharaja Krishnaraja Wadeyar Bahadur III was, on the representation of one Vaidéhavi of Khásá Dévarumane, pleased to grant under Sanad dated 2nd July 1819, ~~[illegible]~~ 16 Vrittis as follows, under the Hanugusomy

Chavy

the 9. Narasipur Taluk :—

1 Vritti to the extent of one Khandaya
to the Eswara temple which already
existed in the Hittanalli village.

1 Do to the Ambala matt.

3 Vrittes to the extent of 3 Khandayas
to the Lakshminarayana Kesavaswami temple
to be newly built by Dikshithar
in the said village.

2 Vrittes to the extent of 2 Khandayas
to the said Dikshithar as
Yajamanya Vrittes

and 9 Vrittes of one Khandaya each
to 9 other 9 Brahmins

Total 16 Vrittes of the total extent of
16 Khandayas.

The Samvat directs that the Vrittes
be enjoyed in hereditary succession —
and that the original Deeds be
given over to the holder Dikshithar,
who was the Yajamanya

2. On the death of the original grantee Jaltácharya his son Narasimhachar came to the management of the agraharam and the Devadaya villages, and on his demise, his son first wife's Seshu Ayyar and the two sons of the latter viz Narasimhachar & Seeniwasa Rangachar, were managing the affairs of the Institution enjoying the (Devadaya and the Agraharam) villages. The following genealogical tree shows the names of persons that were the managers in hereditary succession

Thus it will be seen that the persons mentioned

A, B, C, D, E in red ink have been the managers one after another. Since the death of the last ^ the present managers are D and E. Lawsuit - There seems to have been a dispute between the persons marked D, E, F on one side and Ramaswamiengar marked W, as to the division of the landed property under dispute, but this question does not form the subject of the present reference, nor is there any paper in this office bearing on this point.

3. In October 1902 one Venkatachar presented a petition to the Minister of the 2. Transcription Circle, stating that puja and other services in the temple were not properly conducted; and the Minister and M. G. Krishnaswami Rao reported to the Dy Commr after enquiry that on a former occasion in about 1874-5 the produce of the inam lands had been placed under

under attachment as the temple building was in a state of disrepair; and that it was restored to the manager after the building was repaired; and recommended that the Inam lands might be taken over under Government management on the score that the temple had no Compound wall and Vimana — (In a subsequent report he stated that the He suggested at the same time that what remained after meeting daily the expenses of the Institution, might be utilized towards the construction (repairs) of the Compound wall and the Vimana. He also reported that he had, in anticipation of sanction, planned the temple's share of the produce in amount. The Asst. Commissioner was Rs. Krishna Rao. Thereupon issued an order on the

January 1903, Head, as recommended by the Assistant, the Rajapet produce of the lands in question might be attached and placed in ~~annual~~ pending final orders in the case — ~~[illegible]~~ ~~[illegible]~~ ~~[illegible]~~

The produce has accordingly been in ~~annual~~ since October 1902 — and the annual realized thereform is ~~was~~ Rs 433-7-0 as follows :—

Kuttu for the year Subhakrutu	73 Pallus at Rs 3-7-0 per Palla	Rs. as 250-15
Do for the year Subhakrutu	109 Do at Rs 2-14-0 per Palla	313-6
Total	182 Pallus or Rs	564-5-0

~~[illegible]~~

Deduct as follows :—

(i) Land cess to be paid to Govt for Subhakrutu	Rs. as. P. 13-11-0	
and Subhakrutu	13-11-0	

(ii) Payable to the Archak for the years Subhakrutu and Sobhakrutu at 18 fullams per annum, the cost of which calculating at Rs 2-14-0 per fullam ..... Rs 103-8-

Total Rs 130-14-0

Balance available at the credit of the Trust 433-7-0

Out of the amount thus available, Rs 392-3-0 are reported to have been invested in the Government Savings Bank, and 12 fullams of paddy are kept in account in kind.

4. Sesha Iyengar, the manager, petitioned the Dy Commissioner in July 1903 stating that the lands in question had been, under the terms of the Sanad granted by H. H. the Maharaja Krishnaraja Wadiyar Bahadur III, in the management of himself and his ancestors

for the past 85 years and complaining of the interference of the Amildar. Since then the matter has been under correspondence between the local Offices and no orders were passed by the ~~By~~ till now Commissioner approving of the action taken by the Amildar in 1902. ~~[illegible]~~ The attachment of the lands, however, continues up to date.

5 In January 1904 Sitha Ramasimhachar and Gopalachar sons of Seshu Iyengar, the manager who had since died, presented a petition to Government ~~explaining~~ representing their grievances and praying that the lands might be restored to them as usual, they being the hereditary managers of the temple — They contend that

that the lands in question were granted by His Highness the late Maharaja for their personal benefit as Bhattamarya; that they have been conducting the services in the temple properly; that they rebuilt the temple in about the year 1880 - a heavy cost of about 8 or 9 hundred rupees; and that the interference of the Amildar in their management is contrary to the terms of the Lawnd. In support of their contention they have produced the original copy of the document said to have been executed in 1862 showing the details of the properties that were divided between Nora - Timmachar and Lasha Iyengar who were their ancestors. This document seems to have been duly attested by His Highness the Maharaja Krishnaraja Wadeyar Bahadur III and

and mention is made therein of the lands at Hittimali. But it is doubtful whether the temple lands were included in these properties. At the Inam settlement in 1880 the lands were confirmed to the temple as Devadaya

6 The Amildar has submitted an estimate for repairing the temple including the compound wall and the Vimana, at a cost of Rs 165 and he suggests that the cost may be met from the accumulated savings of the temple (viz Rs 433-7-11).

7 In submitting the entire records to Government, the Dy Commissioner recommends that

(i) the lands may be taken over permanently under Govt management;

(ii) that some additional lands may be entertained for service in the temple

and

and (iii) that the temple may be repaired as per estimate submitted by the Amildar.

8 In similar cases, when the temples endowed with land Inams fall into disrepair, and when the Amildars unwillingly attached the Inam lands, the Govt. direct instructions ~~xxxxxxxxxxxxxxxx~~ ordering at the same time that the savings accumulated ~~xxxx~~ therefrom during the temporary attachment, be utilized towards the necessary repairs.

Submitted

Jes

The repairs required seem to be of minor importance and the estimate is for only Rs. 165/-. The repairs may be ordered to be executed by the Amildar from the funds now in deposit, and the funds recovered at once to the temple

Note Continued :—

Orders were accordingly issued on the 15th December 1904 directing the restoration of the lands to the petitioner and sanctioning the estimate for Rs 165 for the repairs required to the building. The order directed (i) that the work be executed under the supervision of the Amildar; and (ii) that the balance of the deposit should remain at the credit of the Institution in the Savings Bank to meet future requirements of the temple

Little Gopalachar, the petitioner, prays in his petition dated 1st April 1905 that the work of repairs be entrusted to him and that the balance

after deducting the estimated cost of repairs be paid to him as he is ~~for the temporary~~ required to meet all the expenditure of the Institution.

The amount kept in deposit, since the attachment of the lands, was Rs 392-3-0 in cash and 12 Pallas of paddy in kind (Vide page 7 of this note; and after deducting the estimated cost of repairs viz Rs 165, there remains a sum of Rs 227-3-0 in cash and 12 Pallas of paddy. This the petitioner claims to be restored to him.

In a similar case, in connection with the Prasanna Venkatesvara Swami temple at Srirangapatna, the full amount

Muzrai Secretariat. | File No. of 190

of the savings kept in deposit was ordered to be paid to the manager of the Instn. The file is put up for reference. Submitted with a draft as directed.

17/4/05

Considering that the whole management of the institution and its future upkeep have been restored to the Settlr, there seems to be no object in keeping back the small sum of Rs. 227-3-0 from him. The amount set apart for repairs, viz, Rs. 165/- may be also be given to him and he may be asked to effect the repairs in an efficient manner under the supervision of the Amildar

The Dewan's orders recorded on Pages 12 & 15 of this Note were issued in Govt: Pro: nos 22532 dy 15th December 1904 and 1122-3 dy 6th May 1905 respectively.

With reference to the latter Pro: the Deputy Commissioner reports that Sitte Gopalachar ~~has not been~~ paid Rs 227-3-0 and 12 Pallas of paddy and a receipt obtained from him. In regard to the repairs he states that as the contract had already been given out it was not reasonable to upset the arrangement.

In regard to the revision of the scale of expenditure it is proposed by Mr Sinclair ~~proposed~~ that out of 109 pallas

of paddy, to fix the scale at 78 Pallas the remaining 38 Pallas being given away to the Manager Thiru Gopalachar. Thiru Gopalachar however requests that the scale may be fixed at 45 Pallas himself being given 50 Pallas the balance of 14 Pallas being deposited for the repairs of the temple. The D.C. has not given any opinion in the case — A revised estimate is also submitted and sanction is solicited for Rs. 7-13-3 for repairing the roof of the Kitchen. The cost is suggested to be debited to the interest of Rs. 8-2-8 on the deposit at the credit of the temple. The submitted by 20/12/05 has been sanctioned (vide

Muzrai Secretariat. | File No. of 190

Government Rec: no 3319-dated 20
13th February 1906).

In his petition no 3162 dated 23rd January 1906 to this Office Tittle Gopalachar represents that the annual expenditure of 18 Pallas of paddy formerly fixed by him for the temple has since been raised by him to 45 Pallas annually; that no fixed scale of expenditure for the temple was prescribed since the date of the Inam; that the temple, which is situated on his own Bhattamanya land half a mile from the village, is not in need of more than what has now been fixed by him. He prays that under the circumstances

enumerated above, and in consideration of the fact that the annual net income from the Inam land – whether it is more or less – he would be held responsible to keep the temple always in good order paying at times from his pocket; the present expenditure in the temple he not further increased and that what remains might be kept in his possession to be utilized for the repairs of the building. The accompanying statement shows in what items there is a difference of opinion between the Amildar and the manager of the temple

Muzrai Secretary's Remarks:—

What the petitioner propose seems reasonable. He proposes to raise the expenditure from 18 Pallas to 45 Pallas, and wishes to be left in the undisturbed enjoyment of the balance, whatever it may be, as it will be his bounden duty to keep the temple always in good repair & the Puja Services in an efficient state. I think that this may be agreed to by Government.

Deputy Commissioner's Office
Mysore District
Muzrai Department
Dated Mysore 10th June 1904

To

M. Shama Rao Esq. M.A
Secretary to the Government
of Mysore in the Muzrai Department.

Sir,

With reference to your official Memorandum No. 2073 dated 19th January 1904 calling for report regarding the Inam lands belonging to the Sri Lakshmi Narayanaswamy (Venu Gopalaswamy) temple at Hitteralli in the T. Narsipur Taluk, I have the honor to submit herewith the entire correspondence ending with Yadi No. 1335 dated the 3rd June 1904 from the Senior Assistant Commissioner in charge of the Nanjangud Division.

In the year Pramathi (1819) His Highness the late Maharaja Sri Krishnaraj Wadeyar

Bahadur granted 3 Vrittis to the above temple (vide Sannad in the correspondence). These lands have been confirmed as Devadaya during the Inam Settlement. As the con-ditions of the Sannad were not fulfilled, and the temple allowed to fall into disrepair, the Amildar insisted on the present manager to furnish the accounts of receipts and expenditure which he did not do. Thereupon the produce of the Inam lands was attached and the lands are now in the temporary possession of the Government.

The Amildar reports that there is a large income every year from these lands, that the income so

realized is not properly appropriated for the benefit of the temple at present, and that the temple establishment at present consists of only one person. He suggests that some additional hands are very necessary for the effi-cient and more satisfactory manage-ment of the temple.

Agreeing with the Amildar, I request that Government may be pleased to accord sanction for

(1) taking the lands permanently under Government management,

(2) Entertaining some additional hands as detailed in the margin,

& (3) Repairing the temple and its Com-pound as per enclosed Estimate, the Cost of the last 2 items being met from the income derived from the Inam lands.

I have the honor to be

No. 2253, DATED BANGALORE, 15TH DECEMBER 1904.

ORDER THEREON.—Upon the representation of one Thathachar of Khasa Devaramane, His Highness the late Maharaja Sri Krishnaraja Wodiyar Bahadur III, was pleased to grant, under Sannad dated 2nd July 1819, 3 vrittis under the Rangasamudra channel to the Sri Lakshminarayanaswami (otherwise known as Venugopalaswami) temple at Hittuvalli in the T. Sir

Adverting to Government Proceedings No 2253 dated 15th December 1904 and subsequent order No 4122-3 dated 6th May 1905 calling for the submission for sanction of a regular scale of expenditure for the Sri. Venugopalaswami temple at Kittuvalli, T Narsipur Taluk, I have the honor to state as follows:-

As regards the work of repairs being entrusted to Thitti Gopalachar, he admitted that he only applied for the contract on the 28th February 1905, while the Amildar reported that

that the contract had already been given on the 5th February 1905. It was therefore too late in applying for the contract and there was no reason for upsetting the arrangement. The Amildar was however written to that if at any time found that the contractor was not doing work satisfactorily, he should at once bring it to the notice of the Amildar. An endorsement was accordingly granted to him by the Amildar.

2. As directed in para 3 of Order No. 4122-3 dated 6th May 1905 Khitté — Gopalachar has been paid the balance of Rs 227-3-— and 12 Pallas of paddy (Vide receipt dated 20th July 1905 Pherist No. 153)

3. The Scale of expenditure called for in para 4 of the Government ordered above accompanies (Vide Pherist No. 161). It may be seen therefrom that 109 Pallas of paddy, the Amildar proposes to fix the Sale of expenditure at 78 Pallas, the remaining 31 Pallas

vided for the use of the Manager, while the Scale, received from the Manager, Thitte Gopalachar with the accompanying petition registered No. 8 dated 4th July '905 wherein he requests that it may be submitted to Government for Sanction, is fixed at 95 pallas including 50 pallas intended for the use of the manager, the remaining 14 pallas being kept in deposit with the manager Thitte Gopalachar for the repairs of the temple

4. As pot tiles for covering the roof of the kitchen had not been provided for in the original Sanctioned estimate the Amildar of the T Narsipur Taluk reports that this work had to be done in anticipation of Sanction at a cost of Rs 7-13-3 and submits a revised estimate (Vide Pharish No 159) for favour of Sanction. A Sum of Rs 8-2-8 being the interest on Rs 165/- and the amount paid to Thitte Gopalachar which had been kept in deposit in the Government Savings Bank is reported to be available at the credit of the institution and the cost of the revised estimate viz Rs 7-13-3

may

may be kindly ordered to be met out of it.

5. A measurement Bill and a completion Bill for Rs 172-13-3 as well two stamped receipts for Rs 80 and Rs 85/- received from the contractor (Vide Pherist Nos 160 & 160/1 and the file of Vernacular papers bearing on the subject received with yadi No 575/390 dated 3rd November 1905 from the Senior Commissioner, Nanjanguds division accompanies for reference.

ಎಲ್ಲಿಯಾದರೂ ಕೈಗಾರಿಕಾ ಸಂಸ್ಥೆಯಲ್ಲಿ ಅಪಾಯಕಾರಿ ವಸ್ತುಗಳನ್ನು ಬಳಸುವಾಗ ಕಾರ್ಮಿಕರ ಜೀವಕ್ಕೆ ಅಪಾಯವಾಗದಂತೆ ಕಾರ್ಮಿಕರ ಹಿತದೃಷ್ಟಿಯಿಂದ ಕೆಲವು ಕಟ್ಟುನಿಟ್ಟಿನ ನಿಯಮಗಳನ್ನು ಜಾರಿಗೊಳಿಸಲಾಗಿದೆ. ಅವುಗಳು ಈ ಕೆಳಕಂಡಂತಿವೆ.

(1) ಕಾರ್ಮಿಕರು ಕೆಲಸ ಮಾಡುವ ಸ್ಥಳದಲ್ಲಿ ಅಪಾಯಕಾರಿ ವಸ್ತುಗಳು ಸೋರಿಕೆಯಾಗದಂತೆ ಮತ್ತು ಅವುಗಳಿಂದ ಯಾವುದೇ ಅನಾಹುತಗಳು ಸಂಭವಿಸದಂತೆ ಎಚ್ಚರಿಕೆ ವಹಿಸಬೇಕು. ಒಂದು ವೇಳೆ ಸೋರಿಕೆಯಾದಲ್ಲಿ ಅಥವಾ ಅನಾಹುತ ಸಂಭವಿಸಿದಲ್ಲಿ ಕೂಡಲೇ ಆ ಸ್ಥಳದಲ್ಲಿ ಕೆಲಸ ಮಾಡುತ್ತಿರುವ ಕಾರ್ಮಿಕರನ್ನು ಎಚ್ಚರಿಸಿ ಅವರನ್ನು ಸುರಕ್ಷಿತ ಸ್ಥಳಕ್ಕೆ ಸ್ಥಳಾಂತರಿಸಬೇಕು.

accordingly submits
the proposals of the

the former it is observed

of the annual yield
of 109 Pallas, and
recommends to give
among the balance of

Pallava to the manager

for his personal assay humility.

But in the petition

read above the manager

states that an annual

expenditure of 18 Pallavas

formerly fixed by him

for the temple has since

been raised by him

(including the Quitrent payable to Govt)

to 45 Pallavas, and that

the temple, which is situated

four coorg from the

directed to stick to the
fixed expenditure of
not less than 41 Pallas
per annum as noted

in the municipality (excluding the quantity of water required for keeping the sanitary works in good order).

He would be entitled to be in the undisturbed enjoyment of the water, whatever it may be, as it will be his bounden duty to keep the temple always in good repair and the puja services in an efficient state.

(2) Letter No. 310, dated 12th December 1905, from the Deputy Commissioner, Mysore District.

(3) Petition No. 3162, dated 23rd January 1906, from Titte Gopalachar.

No. 3751 / Mwz 119-07-12 DATED BANGALORE, 8TH MARCH 1906.

ORDER THEREON.—While ordering the restoration of the Inam lands endowed to the Sri Lakshminarayanaswami temple, otherwise known as Venugopalaswami temple at Hittuvalli in the T.-Narsipur Taluk, to Titte Gopalachar, manager of the institution, the Deputy Commissioner was requested in the Government Proceedings read above to submit a scale of expenditure to be fixed for the temple. The Deputy Commissioner accordingly submits the proposals of the Amildar and a takarar petition of the manager on the subject. From the former it is observed that the Amildar proposes to fix the expenditure at 78 pallas of paddy out of the annual yield of 109 pallas, and recommends to give away the balance of 31 pallas to the manager for his personal benefit. But in the petition read above, the manager states that an annual expenditure of 18 pallas formerly fixed by him for the temple has been since raised by him to 45 pallas (including the quit-rent, etc., payable to Government) and that the temple, which is situated far away from the village, is not in need of more than what has been already fixed by him. He prays that in consideration of the fact that, irrespective of the annual income from the inam land, whether it is more or less—he would be held responsible to keep the temple always in good order, the expenditure recently fixed by him in the temple, *viz.*, 45 pallas, be not further increased and that what remains might be left in his possession to be utilized for the periodical repairs of the building.

2. The Government observe that the petitioner's proposal seems reasonable and it is accordingly sanctioned. He should be directed to stick to the fixed expenditure of not less than 41 pallas per annum as noted in the margin (excluding the quantity of paddy required for paying the quit-rent to Government). He may be left in the undisturbed enjoyment of the balance whatever it may be, as it will be his bounden duty to keep the temple always in good repair and the puja services in an efficient state.
